# THINGS ARE LOOKING UP

Our home in Manchester is a historic, beautifully converted three storey townhouse on King Street, in the heart of the city. The ground floor features al fresco pavement dining, and an evocative bar and dining space. The middle floor offers a mix of restaurant table and seating options, plus the chef's table for extra thrill and theatre by an open kitchen. The top floor, known as The Black Cat, features a stunning terrace with retractable roof.

This top floor – including the unique roof terrace area – is available to hire. Complete with its own bar, this space is ideal for a unique and memorable occasion.

**No matter the moment, we are delighted to offer a range of options for groups, events and exclusive hire.**

## MENU

Our group sharing menu allows you to enjoy a selection of our most-loved tapas dishes with your family, friends and colleagues. Please let us know if anyone in your party has any dietary considerations so our chefs can arrange alternative dishes to suit those individuals.

With an array of beers, wines, cocktails and more there's something for everyone. We can provide the full drinks menu or create a limited bespoke menu for your party.

## **ENTERTAINMENT**

The space is large enough for a DJ or live band you can bring along for your event. Or, if you fancy something simpler, feel free to make your own playlist on Spotify or Deezer and we can play it for the event.

# CHRISTMAS PARTIES

Christmas is a time for celebrating but for the last couple of years we've not been able to make the most of the festive time with friends and family.

This year's going to be different so join us at El Gato Negro for Christmas in 2022. Let us help add some special seasonal sparkle this year!

Whether you're a group of 2 or 200, looking at a cosy catch-up or organising the first company Christmas bash in ages, we'd love to help you make some magic memories.

Our reservations team's on hand to do the hard work... all you need to do is give us a date and we'll do the rest.
