A GEM AT THE HEART OF LEEDS

Our Leeds home is a stunning Yorkshire stone-clad former bank, on the corner of Park Row and Bond Street. The elegant premises house both restaurant and bar, offering a range of award-winning tapas dining and drinking options across two floors of this historic building.

Both the private dining room and the top floor make perfect spaces for your special events.

No matter the moment, we are delighted to offer a range of options for groups, events and exclusive hire.

MENU

Our group sharing menu allows you to enjoy a selection of our most-loved tapas dishes with your family, friends and colleagues.

FOOD

There are two food menus to choose from, to best suit your event. Pick from more dining-focused classic favourites, or relaxed canapés. Menus are seasonal and subject to changes, please ask the team for current samples.

DRINK

With an array of beers, wines, cocktails and more there's something for everyone. We can provide the full drinks menu or create a limited bespoke menu for your party.

ENTERTAINMENT

The space is large enough for a DJ or live music you can provide for your event. Or, if you fancy something simpler, feel free to make your own playlist on Spotify and we can play it for the event.

PRICING

Private hire requires a minimum spend which can be redeemed across both food and drink, as best suits your needs. A 25% deposit of the minimum spend is required to secure the space.

Our events team will be able to advise you on the best food menu and drinks options to suit both your needs and budget.

Required spends vary dependent on dates and various other factors. Get in touch with our team, let them know your event ideas and they can give you an accurate price!

This year's going to be different so join us at El Gato Negro for Christmas in 2022. Let us help add some special seasonal sparkle this year!

Whether you're a group of 2 or party of 100, looking at a cosy catch-up or organising the first company Christmas bash in ages, we'd love to help you make some magic memories. Our reservations team's on hand to do the hard work... all you need to do is give us a date and we'll do the rest.
