INTRODUCTION

Welcome to our latest drinks menu.

At El Gato Negro we pride ourselves on giving the customer a great experience, and that includes a strong drinks list, chosen to expertly match the dishes we serve.

I've always had a passion for the superb wines of modern Spain and am keen to bring them to a wider audience. For the last seven years we've worked closely with Master of Wine Miles Corish to source a unique selection from independent producers, and together we've curated a range of both newer and more established wines. We've added a few favourites from other countries to broaden our selection as well.

If you'd like to know more about any of the wines, please ask your server: our team is experienced and well-trained in our current menu.

Do as the Spanish do and enjoy a cocktail or a gin and tonic, before or after a meal. We've selected some of the best artisanal craft spirits for our cocktails and tonics, all created with flair and panache. Our bartenders are well-versed in the art of classic cocktail making, so if you fancy a cocktail not listed please ask.

Cheers!

Simon Shaw, Chef Patron

Vintages and prices are subject to change without notice. As we prefer to work with smaller wine producers, there is the odd occasion when a wine is unavailable. We aim to keep this to a minimum, and our knowledgeable staff will assist with an alternative wine, in the event that your first choice is not available.
