## INTRODUCTION

Welcome to our latest drinks menu.

At El Gato Negro we pride ourselves on giving the customer a great experience, and that includes a strong drinks list, chosen to expertly match the dishes we serve.

I've always had a passion for the superb wines of modern Spain and am keen to bring them to a wider audience. For the last seven years we've worked closely with Master of Wine Miles Corish to source a unique selection from independent producers, and together we've curated a range of both newer and more established wines. We've added a few favourites from other countries to broaden our selection as well.

If you'd like to know more about any of the wines, please ask your server: our team is experienced and well-trained in our current menu.

Do as the Spanish do and enjoy a cocktail or a gin and tonic, before or after a meal. We've selected some of the best artisanal craft spirits for our cocktails and tonics, all created with flair and panache. Our bartenders are well-versed in the art of classic cocktail making, so if you fancy a cocktail not listed please ask.

Cheers!

Simon Shaw, Chef Patron

*Vintages and prices are subject to change without notice. As we prefer to work with smaller wine producers, there is the odd occasion when a wine is unavailable. We aim to keep this to a minimum, and our knowledgeable staff will assist with an alternative wine, in the event that your first choice is not available.*
