THINGS ARE LOOKING UP

Our home in Manchester is a historic, beautifully converted three storey townhouse on King Street, in the heart of the city.

The ground floor features al fresco pavement dining, and an evocative bar and dining space.

The middle floor offers a mix of restaurant table and seating options, plus the chef's table for extra thrill and theatre by an open kitchen. The top floor, known as The Black Cat, features a stunning terrace with retractable roof.

This top floor – including the unique roof terrace area – is available to hire. Complete with its own bar, this space is ideal for a unique and memorable occasion.

No matter the moment, we are delighted to offer a range of options for groups, events and exclusive hire.

EXCLUSIVE HIRE

CORPORATE EVENTS, SPECIAL OCCASIONS AND CELEBRATIONS

Our top floor space, The Black Cat, is the perfect space for corporate events, birthdays, Christmas parties and so much more...

It boasts an outstanding retractable roof; bringing the outdoors in when the sun is shining, and keeping the weather out when it's less delightful. Either way we transform the whole floor into a cosy, intimate area for your event.
